

Directions to Mosaic Counseling and Wellness

Hello and welcome to our practice! We wanted to provide some directions as getting the office can sometimes be a little confusing. We are located in the Hess building in downtown Salisbury, next to Metropolitan Magazine and up the set of black steps. Our address is 207 West Main St, however the entrance to our office is on the other side, on West Church St., facing route 50. We are a few doors down from Roadie Joe's.

There is metered parking right out front on the West Church St, or free parking at the library which is about a 5 minute walk from us. Thank you, and we look forward to meeting you!
